RIDER BIOMECHANICS CLINIC

Format

- 3-day formats are best for optimal learning for both riders and horses.
- Clinic runs from 9:00 to 5:00 daily. Based on the maximum twelve riders, rides times are 9, 10, and 11 a.m. and 2, 3, and 4 p.m (times are flexible to accommodate weather)
- Each ride time is semi-private with two riders per session. Each rider gets three 10-minute sessions of one-on-one instruction followed by a break to either independently practice or rest. This format is ideal for deep learning practice.
- 2-hour break for lunch and the un-mounted lecture including Q&A, discussion, demonstration, exercises, etc.
- Riders allowed into the arena during the last 10 minutes of the previous lesson to warm up
- All riders required to wear Light colored clothing, ASTM/SEI certified riding helmet, heeled boots, and gloves.
- All riders required to sign clinicians liability release form.
- Auditors are welcome.
- All levels, breeds, and disciplines welcome!

RIDER BIOMECHANICS CLINIC

Organizer Details

- Rider & auditor pricing determined by clinic organizer to cover cost and/or generate a profit.
- Rider's advanced payment secures participation in clinic.
(Recommend payment due date 5 weeks prior to clinic date and non-refundable)
- 50% deposit for clinician fees due at time of booking. Balance due four weeks prior to scheduled date.
- Payment can be made via Paypal or Credit/Debit Card (preferred) or by check. Checks will be held until 3 weeks prior to clinic date.
- Deposit refundable until four weeks prior to scheduled date. After that, refund issued only if clinic is cancelled by clinician or at clinician's discretion.
- Depending on location either driving or flight arrangements and accommodations will need to be reimbursed or coordinated. Please email with your location and desired dates for a quote. Typically travel fees are split among participants.
